PROBLEM

Soul Creators is a biomedical innovation company that specializes in developing affordable and accessible medical solutions. However, the company is still in its early stages of development and needs to identify and prioritize its ideas in order to move forward.

Key rules of brainstorming

To run an smooth and productive session

- Stay in topic.
- Encourage wild ideas.
- Defer judgment.
- Listen to others.
- Go for volume.
- If possible, be visual.

2 Brainstorm

Write down any ideas that come to mind that address your problem statement.

3 Group ideas

TIP
Add customizable tags to sticky notes to make it easier to find, browse, organize, and categorize important ideas as themes within your mural.

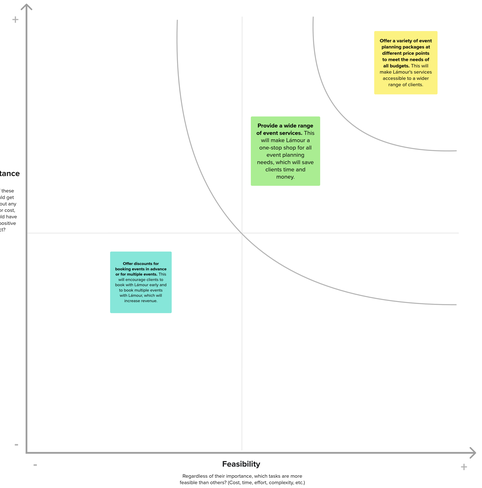
- **Blog posts:** How to plan a wedding on a budget, how to plan a birthday party for kids, how to plan a corporate event, etc.
- **Social media posts:** Tips for saving money on event planning, event inspiration photos, event planning challenges, etc.
- **Workshops:** Event planning basics, event budgeting, event décor, event entertainment, etc.
- **Ebooks:** The ultimate guide to event planning, how to plan a wedding, how to plan a corporate event, etc.
- **Checklists:** Wedding planning checklist, birthday party planning checklist, corporate event planning checklist, etc.
- **Templates:** Event budget templates, event timeline templates, event seating charts, etc.

4 Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

20 minutes

TIP
Participants can use their cursors to point at where sticky notes should go on the grid. The facilitator can confirm the spot by using the laser pointer holding the **H key** on the keyboard.



After you collaborate

You can export the mural as an image or pdf to share with members of your company who might find it helpful.
